OLDE HEARTH BREAD COMPANY

The secret to a good sandwich? The bread. No one knows that better than Olde Hearth Bread Company, which opened in 1998 with a commitment to bake with fine preservative-free ingredients and use old-world techniques that keep the process pure. Yep, these artisans live and breathe the slow food movement. Their shop is located in nearby Casselberry, Florida, and is owned by culinary pros Shannon and Janice Talty. Try Olde Hearth's breads (focaccia, ciabatta, multigrain, brioche potato rolls) in a sandwich at Sal's Market Deli here at the hotel.

DUOMO GELATO

Straight from Tampa, gelato made just like it's done in Italy. Owner Roberto Mori's recipe is a secret, but he doesn't hide the fact that all of the ingredients are fresh and premium. And he dreams big: There are more than 100 fruity, creamy flavors to choose from. Here at Loews, you can try more than 50 of them at the Gelateria, found along the Harbor Piazza. Duomo Gelato is also available at Mama Della's, Trattoria del Porto or in the comfort of your own room with in-room dining. Nutella Cheesecake or Peanut Butter Brownie flavors, anyone?

We look forward to partnering with you and welcoming your guests to Loews Portofino Bay Hotel. To help you plan a successful program, please take a moment to review our Meetings & Events Planning Guide for helpful details and guidelines.

MEETING PLANNER GUIDE

Welcome to Loews Hotels at Universal Orlando Resort. With any special gathering, we understand that it's that unique combination of remarkable service and a one-of-a-kind location that makes your event truly unforgettable. Whether you are planning a small corporate meeting, large convention, or association conference, rest assured that events of all sizes receive the same level of attention from our seasoned conference and catering associates. In order to anticipate your meeting planning needs, we have created the following guide for your review.

AUDIO VISUAL EQUIPMENT

The Hotel has a fully equipped audio-visual company on property, Encore, who can handle any range of audio-visual requirements. Additional electrical power is also available in most function rooms. Please contact your Conference Manager or Encore representative for rates and information.

EXHIBITORS

To guarantee a flawless Hotel arrival experience for all guests, we kindly request that all exhibitors please load-in through the designated service entrances of the Hotel and check-in with Security. For load-in, exhibitors must be completely self-contained and be prepared to transport their own materials, packages and equipment. The Hotel requests that all shipping needs be provided by the exhibitor's show decorator or primary point of contact. However, should shipping be processed by the Hotel, the Hotel will charge shipping and handling fees in advance prior to the Hotel's shipping and receiving agent releasing items. Please note that the Hotel's operating departments are not staffed nor prepared to handle exhibitor demands.

FOOD AND BEVERAGE SERVICE

The Hotel is the only authorized licensee to sell and serve food, liquor, beer and wine on the premises. Therefore, the Hotel must supply all food and beverage. This includes hospitality suites and food amenity deliveries.

The Hotel's mixology and sommelier teams are available to suggest a wide range of beverage selections to compliment your event. The Hotel kindly requests that all beverages are served by the Hotel's personnel only. In addition, the Hotel's alcoholic beverage license requires the Hotel to request proper identification of any person of questionable age. The Hotel may opt to refuse alcoholic beverage service if the person is either under age or proper identification cannot be produced as well as to any person, who, in the Hotel's judgment, appears intoxicated.

FOOD AND BEVERAGES PRICING

Pricing is good through December 2026. Menu pricing is subject to change based on seasonality, product availability and sourcing.

FOOD PREPARATION

Our Culinary team is able to satisfy all your dietary restrictions, allergies and personal preferences. Please kindly communicate any details to your Conference or Catering Manager in advance of your function(s). Please be advised that consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness, especially if you have certain medical conditions. To ensure the quality and safe handling of products serviced by the Hotel, we request that no food and beverage may be transferred or re-plated. In addition, food may not be removed from any function by the client or any of the invitees.

GUARANTEES

The Hotel requests that clients notify the Conference and Catering Department with the exact number of guests attending the function 72 business hours prior to the function. Guarantees for Wednesday events must be confirmed on the preceding Friday. If fewer than the guaranteed number of guests attend the functions, the client is charged for the original guaranteed numbers. Hotel will provide service of 5% over your guarantee for events up to 500 people and 3% over your guarantee for events over 500 people.

KOSHER/HALAL MEALS

The Hotel partners with local caterers to provide kosher and halal meals for guests who require them. Additional charges will apply. Seven days advance notice is required.

MEETING ROOM KEYS

The Hotel can accommodate personal meeting room keys, should you require keys for offices and/or storage areas where you want to restrict access. Please note that function or storage rooms being held on a 24-hour basis are available at a fee per lock change and for each additional key requested. Requests for lock changes must be provided to the Hotel a minimum of two [2] weeks prior to set-up. On-site requests will be charged per lock change.

MENU SELECTIONS

To ensure that every detail is handled in a timely manner, menu selections and specific details should be finalized 30 days prior to the function. In the event the menu selections are not received within 30 days prior to the function, we will be happy to select appropriate menus to fit your needs. You will receive a copy of the Banquet Event Orders (BEOs) to which additions or deletions can be made. When the BEOs are finalized, please sign and return them 10 working days prior to the first scheduled event. The BEO will serve as the food and beverage contract.

MEETING PLANNER GUIDE

SECURITY

Please kindly advise your attendees that they are responsible for the safekeeping of their personal property as the Hotel does not provide security in the meeting and function spaces. You may elect to retain security at your own expense to safeguard personal property in the meeting and function space or request lock changes to secure your meeting rooms.

In addition, depending upon the nature of your event, the Hotel reserves the right based on its reasonable judgment to require the group to retain security personnel in order to safeguard guests or property in the Hotel. The Hotel's prior approval is required for all outside licensed security companies and must meet the minimum standards established by the Hotel, including insurance and indemnification requirements. Security personnel are not authorized to carry firearms without advanced Hotel approval.

SMOKING POLICY

We kindly ask that smoking not occur in any areas of the Hotel to include guest rooms, suites, public areas, restaurants and meeting/function rooms. Otherwise, a cleaning fee may be assessed.

TAXES AND SERVICE CHARGES

There is a 27% taxable service charge automatically added to your bill, which constitutes an "operations charge" under Florida law. This service charge is retained by the facility to cover administrative and operational costs." The service charge and a 6.5% state sales tax on food and beverage will be in addition to the prices stated on the menus. Such taxes and service charges are subject to change without notice. Service for less than the stated minimum guests is subject to a minimum taxable surcharge of \$250.

WEATHER CALL

The Hotel reserves the right to make the final decision regarding outdoor functions. The decision to move a function indoors will be made no less than six hours prior to the event should the forecast call for a 40% chance or more of rain, wind in excess of 20 mph or lightning. Should the event include décor provided by an outside company, your Operations Manager will advise you of the cutoff time for a weather call. In the event the function is moved inside after the six-hour cutoff, a labor charge will apply.

24-HOUR EVENT SET CHANGES

Understanding that changes sometimes occur during events, it is important that communication be provided in a timely manner. To meet your service expectations, additional labor may be required for your event request. Event set-up changes made within 24 hours of the start of your event may result in labor fees applied to your group master account. Your Conference Manager will advise of said charges if the situation arises.
