### #1 Fender® Coronado

Color: Candy Apple Red

For the guitarist who appreciates a fabled Fender instrument with a special history, the Coronado guitar is back with greater sound, build and beauty than ever. Now the Coronado name and style have returned in an utterly cool Modern Player model with stunning looks, tone and features, including a thin semi-hollow body with stylish binding and bound f holes, special humbucking pickups, distinctive headstock, vintage-style bridge/tailpiece and much more. The return of a true Fender original.
