

UNIVERSAL ORLANDO RESORT

GUIDE FOR Safety and Accessibility

ver. 2025.04

ARTIST CONCEPTUAL RENDERING

UNIVERSAL EPIC UNIVERSE

Welcome to Universal Orlando Resort

We have provided this guide to give you as much detailed information about each attraction experience as possible. Our goal is to ensure that everyone is able to make well-informed decisions about their ability to safely, comfortably, and conveniently experience each of our attractions. If, at any time, you feel that you do not have enough information to make these decisions, please feel free to contact us.

Additionally, we have included specific information for Guests with disabilities. This information provides a clear outline of the accommodations at each attraction, as well as the physical requirements for entering or exiting ride vehicles and other attraction areas. It is important to note that although all of our Attractions Attendants are eager to make your day as pleasant as possible, they are not trained in lifting or carrying techniques and therefore cannot provide physical assistance. We suggest that Guests with disabilities bring a companion who can provide any physical assistance that may be needed.

Our goal is to provide the best accommodations possible to all of our Guests. With the information that follows, and with the information our Team Members can provide in answering questions, we are confident the experience you have with us will exceed your expectations.

How to Contact Us

You can message us at guestservices@universalorlando.com. Guest Services Coordinators are available seven days a week from 8:30am – 8 pm and make every effort to respond to messages in 24 to 48 hours. If you require an immediate response, please call us at 407-224-4233, option 5 (five).

Participate Responsibly

Failure to follow posted guidelines may result in serious injury or expulsion from the park.

Please Note

Parks, Attractions, or Entertainment may close due to refurbishing, capacity, weather, or special events; change operation hours and otherwise change or be discontinued without notice and without liability to the owners of Universal Orlando Resort. Details subject to change.

Accessibility Accommodations

At Universal Orlando we are proud of providing accommodations that create a welcoming, inclusive environment and accessible experiences for our Guests. The queue experience at the majority of our attractions is an integral part of telling the story of the overall attraction experience. As a result, we have constructed our queues to be accessible to Guests using wheelchairs.

INDIVIDUAL ACCESSIBILITY CARD PROGRAM

3

Universal Orlando has developed an Attractions Assistance Pass for Guests whose disability prevents them from waiting for extended periods in a conventional attraction queue environment. The Attractions Assistance Pass is an accommodation designed to provide equal access to theme park attractions and is not to bypass other Guests waiting in the attraction queue.

Guests requesting an attraction queue accommodation may obtain the IBCCES Individual Accessibility Card (IAC) by registering at accessibilitycard.org within 30 days of their visit to the park and at least 48 hours before their visit. The IAC registration consists of an online application that includes uploading necessary documentation. IBCCES does not require or ask Guests to disclose their medical or psychological diagnosis or condition.

Guests who only need to use their mobility device do not need to apply for the IAC as our attraction queues and park entrances are accessible. Once the Guest receives an approved IAC, a Universal Orlando Team Member will contact the cardholder to discuss the appropriate attraction queue accommodation for the cardholder's visit.

Note: An IAC does not guarantee a Guest will receive an Attractions Assistance Pass. Universal Orlando will determine the appropriate queue accommodation based on the cardholder's specific needs.

Guests who are unable to register in advance may contact Universal Orlando's Guest Services team at (407) 224-4233 or visit any Guest Services location at the theme parks for additional information.

Note: Universal Orlando does not issue the IAC. Only IBCCES can issue the IAC.

Safety Advisory

FOR YOUR SAFETY

Shoes and shirts must be worn at all times. Read all health and safety requirements for each attraction as they are not all the same. You know your physical conditions and limitations; Universal Orlando does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, do not experience the attraction.

RIDE INFORMATION

For your safety and the safety of others, always face forward, keeping your hands and feet inside the ride vehicle at all times. Remain seated until the ride comes to a complete stop and you receive instruction to exit the vehicle.

LOST ITEMS

Never attempt to recover a lost item while riding. Notify an Attractions Attendant for assistance and we will do everything we can to recover your property as quickly as possible.
